(c) HITE-CT shall not be liable to the Participant for any losses, liabilities or damages as a result of HITE-CT terminating this Agreement under Section 10.1(d) of this Exhibit A (Insufficient Funding).

(d) The foregoing limitations of liability is complete and exclusive, shall apply even if HITE-CT or Participant has been advised of the possibility of such potential
claims, causes of action, losses or damages, and shall apply regardless of the success or effectiveness of any other remedies possessed by Participant or third parties. This limitation of liability reflects an allocation of risk between HITE-CT and Participant in view of the Fees charged by HITE-CT to Participant. The limitations of this Section 12.1 of this Exhibit A shall apply notwithstanding any failure of essential purpose of any limited remedy.

12.2. Release of Liability. Participant hereby releases HITE-CT from any claim arising out of any inaccuracy or incompleteness of Data or any delay in the delivery of Data or failure to deliver a Data Exchange when requested except for those arising out of HITE-CT’s gross negligence.

12.3. Indemnification.

(a) HITE-CT Indemnification for Infringement.

(i) HITE-CT shall defend, indemnify and hold Participant harmless from and against any and all claims, lawsuits, and other civil actions or proceedings commenced by any third party (“Third Party Claims”) against Participant, and any and all damages, awards, losses, liabilities, settlements, judgments, (including, without limitation, interest awards, reasonable litigation costs, and reasonable attorneys’ fees awards) (“Losses”) incurred by Participant, including without limitation amounts payable under judgment, court order or settlement resulting from any Third Party Claim, to the extent that such Third Party Claim and/or Losses results from actual or alleged infringement by the Software of any third party’s rights. In connection with any such Third Party Claim, Participant shall:

(A) notify HITE-CT in writing of the Third Party Claim as promptly as practicable but in any event, within a period that will not prejudice the rights of HITE-CT under this Agreement or the ability of HITE-CT (or its third party licensors) to defend the Third Party Claim; and

(B) allow HITE-CT (or its third party licensors) sole control of the defense and any related settlement negotiations, at HITE-CT’s sole cost and expense; and

(C) use commercially reasonable efforts to cooperate in good faith in the said defense and comply with all of HITE-CT’s (or its licensors’) reasonable requests (at HITE-CT’s sole cost and expense) in defending or settling the Third Party Claim.

(ii) Should the use of the Software by the Participant pursuant to this Agreement be determined to have infringed any third party’s rights, or, if in HITE-CT’s (or its licensors’) reasonable judgment, such use is likely to be infringing, HITE-CT shall endeavor at its option do any of the following, at its own expense (x) procure for Participant the right to continue owning or using the Software, as applicable, or (y) replace or modify the Software to make its use by Participant non-infringing while yielding substantially equivalent functionality.

Exhibit C (HITE-CT Fees) - Page 12
(iii) If, and only if, the previous options are not commercially reasonable, then HITE-CT may terminate this Agreement as it applies to the specific Software and the corresponding rights of use. Participant agrees to destroy or return the affected Software to HITE-CT (or as otherwise directed by HITE-CT) on its written request, and HITE-CT will then return and refund any prepaid Fees paid by the Participant as prorated on a daily basis over a five (5) year term commencing on the Effective Date.

(iv) The obligations of HITE-CT in this Section 12.3(a) of this Exhibit A shall not apply to the extent that the infringement or claim thereof is based on (i) use of the Software by Participant other than in accordance with this Agreement, or as otherwise agreed to or recommended by HITE-CT, or (ii) modifications or additions to the Software by Participant personnel. THIS SECTION 12.3(A) OF THIS EXHIBIT A SETS FORTH THE PARTICIPANT’S EXCLUSIVE REMEDY FOR ANY ACTUAL OR ALLEGED INFRINGEMENT OF THIRD PARTY RIGHTS IN CONNECTION WITH THE SOFTWARE.

(b) Indemnification for Breach of Agreement. Participant shall indemnify, defend and hold HITE-CT, and its employees, representatives and agents, harmless from and against any and all Third Party Claims against HITE-CT, or any of its employees, representatives or agents, and any and all Losses incurred by HITE-CT, or any of its employees, representatives or agents, including without limitation amounts payable under judgment, court order or settlement resulting from any Third Party Claim, to the extent that such Third Party Claim and/or Losses results or arises from breach of this Agreement by Participant or any of its employees, consultants/contractors, Authorized Users and/or other agents, including the unauthorized or improper use of the Exchange and/or use or disclosure of Data for any purpose other than a Permitted Use.

12.4. Not a Medical Service. The Exchange does not make clinical, medical or other decisions, and is not a substitute for professional medical judgment applied by Participant or its employees, consultants/contractors, Authorized Users and/or other agents.

13. GENERAL PROVISIONS.

13.1. No Exclusion. HITE-CT represents and warrants to Participant, and Participant represents and warrants to HITE-CT, that neither such party nor any of its respective employees or agents has been (a) placed on the sanctions list issued by the office of the Inspector General of the Department of Health and Human Services pursuant to the provisions of 42 U.S.C. 1320a(7), (b) excluded from government contracts by the General Services Administration or (c) convicted of a felony or any crime relating to health care. Each of HITE-CT and Participant shall provide the other with immediate written notice of any such placement on the sanctions list, exclusion or conviction.

13.2. Severability. If any term or provision of this Agreement is found to be invalid or unenforceable for any reason, it shall be adjusted rather than avoided, if possible, so as best to accomplish the objective of the parties to the extent possible. In any event, the remaining terms and provisions shall be deemed valid and enforceable. It is expressly understood and agreed that
each provision of this Agreement providing for a limitation of liability disclaimer or limitation of warranties or exclusion of damages is intended by the parties to be severable and independent of any other provisions and to be enforced as such.

13.3. ** Entire Agreement.** This Agreement (which includes the Summary pages, all Exhibits and Project Addenda, and the Policies and Standards as amended from time-to-time) constitutes the complete agreement of the parties relating to the matters specified in this Agreement and supersedes all earlier representations or agreements with respect to the subject matter of this Agreement, whether oral or written with respect to such matters.

13.4. ** No Assignment.** Participant may not assign its rights or obligations under this Agreement without the advance written consent of HITE-CT, which consent will not be unreasonably withheld, provided that Participant may assign this Agreement without consent in connection with a transfer or assignment to a wholly-owned subsidiary of Participant, or a parent which wholly-owns Participant. Any assignment by Participant in violation of this Section 13.4 shall be deemed null and void and of no legal force or effect for purposes of this Agreement.

13.5. ** Governing Laws; Jurisdiction.** This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Connecticut without regards to any conflict of law principles that would require the application of laws of any other state. Any legal action or proceeding with respect to this Agreement shall be brought only in the courts of the State of Connecticut or of the United States of America for the District of Connecticut. By execution and delivery of this Agreement, each of the parties hereto accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforesaid courts.

13.6. ** Force Majeure.** No party is liable for any failure to perform its obligations under this Agreement (other than payment obligations), where such failure results from any act of God or other cause beyond such party’s reasonable control (including, without limitation, any mechanical, electronic, or communications failure).

13.7. ** Notices.** All notices, requests, demands, and other communications required or permitted under this Agreement will be given in writing. A notice, request, demand, or other communication will be deemed to have been duly given, made and received: (a) when personally delivered; (b) on the day specified for delivery when deposited with a commercial courier/delivery service such as Federal Express for delivery to the intended addressee; (c) three (3) business days following the day when deposited in the United States mail, registered or certified mail, postage prepaid, return receipt requested, addressed as set forth below on the first Summary page of the Agreement; or (d) when sent, if sent by electronic mail (without response of non-delivery) or confirmed facsimile if sent during normal business hours of the recipient, and if not sent during normal business hours, then on the recipient’s next business day. Nothing in this Section 13.7 will prevent the parties from communicating via electronic mail, telephone, facsimile, or other forms of communication for the routine administration of the Exchange.

13.8. ** No Agency.** All decisions regarding effectuation of this Agreement and any action to be taken hereunder shall be solely at the discretion of the party making such decision. Neither party shall hold itself out as an agent of the other. Neither party shall have any authority
to bind or obligate the other in any manner. For the purpose of carrying out this Agreement, the
designated Participant shall act as independent contractors and not as the partner, joint venturer, or agent of the
other party and neither party shall bind or attempt to bind the other party to any contract.
Furthermore, the undersigned Participant shall not (i) hold itself out as an agent of any other
Participant, or (ii) have any authority to bind or obligate any other Participant in any manner.

13.9. **No Relationship between Participants; No Third Party Rights.** Except as
otherwise expressly provided in this Agreement (including, without limitation, in connection
with indemnification rights), nothing in this Agreement confers any rights or remedies under this
Agreement on any persons other than HITE-CT and Participant. Nothing in this Agreement is
intended to create a contractual relationship or otherwise affect the rights and obligations among
Participants. Nothing in this Agreement will give any third party, including other Participants,
yet a right of subrogation or action against any party to this Agreement.

13.10. **Counterparts; Electronic Signatures.** This Agreement may be executed in two
or more counterparts, each of which shall be deemed an original, but all of which together shall
constitute one and the same instrument. This Agreement may also be executed and delivered by
facsimile or other electronic signature and in two or more counterparts, each of which shall be
deeemed an original, but all of which together shall constitute one and the same instrument.
Neither party will contest the validity or enforceability of this Agreement as electronically
signed, or signed in counterparts, under the provisions of any applicable law relating to whether
certain agreements are to be in writing or signed by the party to be bound thereby. This
Agreement, as electronically signed, if introduced as evidence on paper in any judicial,
arbitration, mediation, or administrative proceedings will be admissible as between the parties to
the same extent and under the same condition as other business records originated and
maintained in paper form.

13.11. **Waivers.** The failure of either party any time to require performance by the other
party of any provision hereof shall not affect in any way the full right to require such
performance at any time thereafter; nor shall the waiver by either party of a breach of any
provision hereof be taken or held to be a waiver of the provision itself. The observance of any
provision of this Agreement by any party may be waived (either generally or any particular
instance and either retroactively or prospectively) only with the written consent of the other
party.

13.12. **Further Actions.** Each party to this Agreement agrees to execute and deliver all
documents and to perform all further acts and to take any and all further steps that may be
reasonably necessary to carry out the provisions of this Agreement and the transactions
contemplated hereby.

13.13. **Warranty Disclaimers.** Each party recognizes and agrees that the warranty
disclaimers and liability and remedy limitations in this Agreement are material bargained-for-
bases of this Agreement and that they have been taken into account and reflected in determining
the consideration to be given by each party under this Agreement and in the decision by each
party to enter into this Agreement.
13.14. **Amendments.** This Agreement may be amended (either generally or any particular instance and either retroactively or prospectively) only with the written consent of the parties; provided, however, that, pursuant to Section 2.3 of this Exhibit A, the Policies and Standards may be amended by HITE-CT at its discretion without any consent, written or otherwise, of any Participant.

13.15. **Late Payments.** Any payment to any party under this Agreement that are not paid on the date that such payment is due, including without limitation any overdue payments of royalties, shall accrue interest, commencing on the date that such payment was originally due, at the prime rate of interest as quoted in *The Wall Street Journal* (or, if not published, another appropriate publication), but, in no event, at a rate less than 1% per month.

13.16. **Rules of Usage.** In this Agreement, unless a clear intention appears otherwise:
(a) the singular number includes the plural number and vice versa; (b) reference to any person includes such person’s successors and assigns but, if applicable, only if such successors and assigns are not prohibited by this Agreement, and reference to a person in a particular capacity excludes such person in any other capacity or individually; (c) reference to any gender includes each other gender; (d) reference to any agreement, document or instrument means such agreement, document or instrument as amended or modified and in effect from time to time in accordance with the terms thereof; (e) reference to any law means such law as amended, modified, codified, replaced or reenacted, in whole or in part, and in effect from time to time, including rules and regulations promulgated thereunder; (f) “hereunder,” “hereof,” “hereto,” and words of similar import shall be deemed references to this Agreement as a whole and not to any particular Section or other provision hereof; (g) “including” (and with correlative meaning “include”) means including without limiting the generality of any description preceding such term; (h) “or” is used in the inclusive sense of “and/or”; (i) with respect to the determination of any period of time, “from” means “from and including” and “to” means “to but excluding”; (j) references to documents, instruments or agreements shall be deemed to refer as well to all addenda, exhibits, schedules or amendments thereto; (k) references to “person” or “persons” means an individual, corporation, limited liability company, partnership, trust, joint venture or other legal entity; (l) article and section headings herein are for convenience only and shall not affect the construction hereof; and (m) references to any sections of this Agreement shall include every subsection thereof unless otherwise expressly excluded.
